

K-LOVE serves our area as a Christian radio station that is listened to by ourselves and our young adult children. If it was not available we would not be able to listen to some of the programs they broadcast as the other stations do not have the same programming. It is especially in the best interest of the young people in our community to allow K-LOVE to continue since it has such a positive affect on their lives. It is a light to all of us that listen to it. It is in the general public's interest when a service can be provided that helps people in this way. It may not reach the entire public but the entire public benefits from the interaction that the listeneers have in this community.
